EXTRA STRENGTH

CRAWLING INSECT SPRAY

HOW TO USE

Shake can well before using. Keep can as upright as possible and hold about 15-20 cm from the surface. Avoid using on plastic surfaces. Treating surface with PROTECT-US Extra Strength Crawling Insect Spray will kill and protect against a large range of crawling insects. For direct kill spray in the direction of the crawling insect. e.g.

Cockroaches: Spray skirting boards, under cupboards, behind stoves and refrigerators and other places where cockroaches live and hide.

Silverfish: Spray architraves, bookshelves and other areas where paper is stored.

Ants: Spray around garbage bins and food disposal areas and entry points.

Carpet Beetles: Lightly spray carpets particularly in areas of little or no traffic, lightly spray under lounge chairs and along skirting boards.

Fleas: Infested rooms should be closed and treated by thoroughly spraying the carpet. Ventilate the room 4 hours after use. Ensure adequate ventilation during use.

Spiders: Spray onto eaves, cobwebs and other sites where spiders lurk.

Clothes Moths: Spray storage areas and in emptied drawers and wardrobes.

Bed Bugs: Spray areas where bedbugs hide such as bed frames, floors and skirting boards.

Millipedes: Thoroughly spray surfaces inside the home where millipedes enter to maintain an insecticide barrier.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED.

APVMA Approval No: 67038/55009
