## The new backpack sprayer – Compact. Ergonomic. Powerful:

The completely new designed external pump is integrated directly into the RPD's 15 pump lever. The result is easy use and quick cleaning. The new hose positioning is also a lot handier. «Look and feel» – the new ergonomic concept! When carrying, pumping, spraying, emptying, cleaning etc. The pump lever can be mounted on the left or right. All in the lever.

## Robust in detail – developed for practical use

You can feel it at the first use; the RPD 15 is designed by professionals for practical use. For cleaning the device or easily changing the pump lever from left to right: easy access to all parts. Every detail has been precisely considered and developed for practical use. The RPD 15 – the ideal backpack sprayer for home and garden.
