The handiest spreader in the world: Granomax – spreading made easy

The application is in principle very easy. Fill it, pull the Granomax around your back and start spreading. Spot treat, broad cast, in small corners of your garden, lawn areas, paths and drive way – and many more applications.

Your Birchmeier distributor:

Even spread pattern

The unique designed spread head guaranties an even spreading of a wide range of materials. With easy lateral movements, width up to 2m can be evenly covered with spreading material. With Granomax, spreading becomes as easy as watering plants.
