* trademark

APVMA Approval Number: 68792/59091

HOW TO USE:

A ready to use insecticidal dust that controls insect pests inside and outside. Leave undisturbed for as long as possible after application. Apply the dust using puffer pack or hand operated duster.

SITUATION	PEST	RATE	CRITICAL COMMENTS
Domestic premises (including food preparation and storage areas; living and sleeping areas.)	Cockroaches, Silverfish	10 g/m ²	Apply powder into cracks and crevices. Pay particular attention to warm, dark corners around cookers, fireplaces, radiators, stoves, pipes, rubbish chutes and places where liquid sprays may not be used.
	Ants		Apply the powder along runs, on and around nests. If ants are invading domestic premises apply powder to routes by which they enter. Repeat as necessary.
	Fleas and Carpet Beetles		Dust powder over floor, brushing into carpet pile. Also apply to nearby cracks and crevices where flea larvae develop.
	Bedbugs		Apply powder to bedsteads, bedsprings, mattresses, floor coverings, upholstered furniture, cracks in walls, behind torn wallpaper, joints in woodwork and other harbourages.
European wasp nests	European wasps (<i>Vespa germanica</i>)	125 to 250 g per nest	Apply powder through entrance holes (125-250 g of product may be needed per nest depending on size of nest and number of entrance holes). Treat at night wherever possible to avoid being stung. Wear protective clothing to prevent being stung (e.g. long-sleeved overalls buttoned at wrist and neck, gloves, hat and bee veil).

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED

CAUTION

AVOID CONTACT WITH FOOD. DO NOT use directly on humans, pets, exposed food, food preparation areas or food utensils. Remove or cover all exposed foodstuffs. Harmful to fish. Remove or cover fish tanks before treatment. DO NOT allow chemical containers or dust to get into drains, sewers, streams or ponds. European wasps are a declared pest in Western Australia and any suspect wasp sighting should be reported to the Department of Agriculture and Food on 1800 084 881 or info@agric.wa.gov.au. For all other States and Territories, please ensure that current notification requirements are met prior to any European Wasp treatment.

STORAGE AND DISPOSAL

Store in the closed original container in a cool, dry place out of the reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in a plastic bag and putting in garbage.

SAFETY DIRECTIONS

Avoid contact with eyes and skin. Avoid inhaling dust. When using the product wear rubber gloves. Wash hands after use.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126.
